Memories

Like the corners

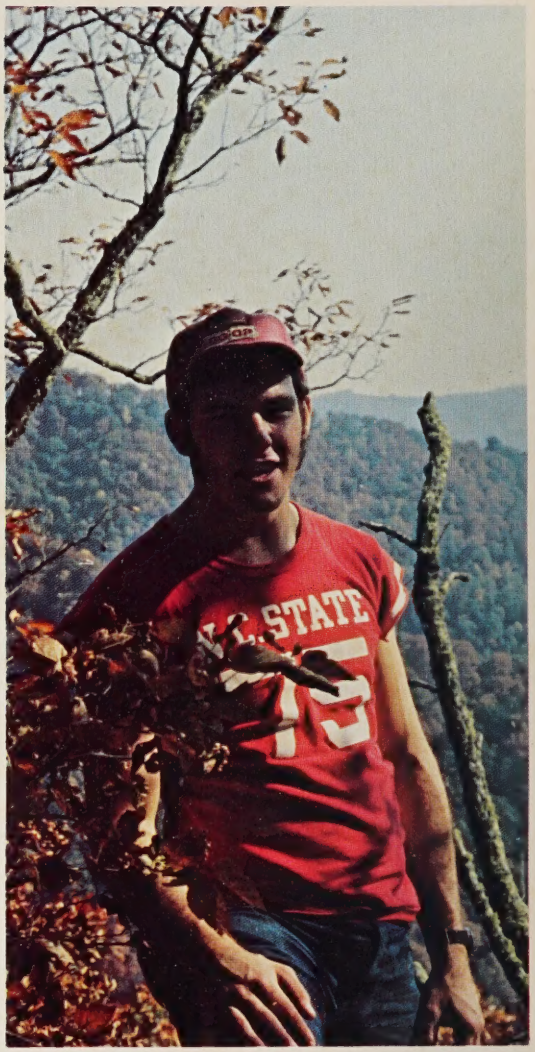
of my mind

Misty,

water-colored memories

Of the way

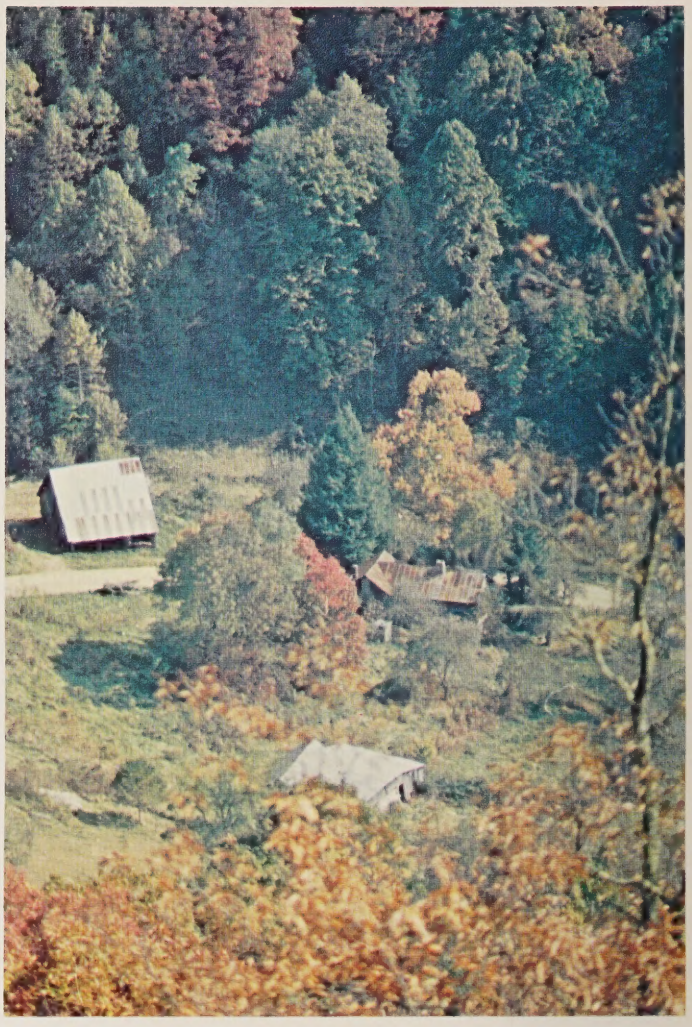
we were . . .



Scattered pictures
of the smiles
we left behind
Smiles we gave
to one another

Of the way we were . . .

Haywood County Public Library
Waynesville



Can it be that it was
all so simple then
Or has time
rewritten each line
If we had the chance
to do it all again

Tell me . . . would we . . . could we?

Memories,

may be beautiful and yet
What's too painful to remember
We simply choose to forget
So, it's the laughter,

we will remember
Whenever we remember . . .

With great pleasure we, the Annual Staff of Pisgah Senior High School, dedicate this, the ninth edition of the Pisgahteer, to one who is helpful, makes such thorough explanations, and guides us when we stray with our grammar. For many years she gave of herself unselfishly as a Senior Class sponsor and drama instructor.

She is an inspiration to all of us. Her devotion and contribution to our English Department continually helps to make our school the excellent one that it is.

With love in our hearts, we dedicate our 1975 yearbook to . . .

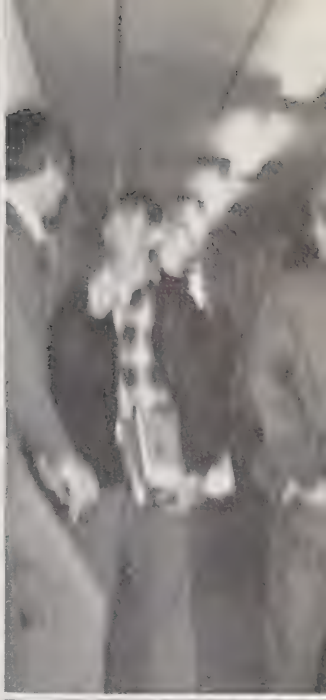
Black World of Tomorrow



Dear Class of '75,

Three years ago we came to Pisgah High all agog with curiosity, hope, and awe. Then, we were children together: laughing, crying, growing. Today we are on the brink of adulthood, and our laughing, crying, and growing are much greater. Sometime between that first hectic day as a sophomore and the long-awaited day when we get our diplomas, we've tried to prepare ourselves for the responsibilities of tomorrow. Sadly, when we must face those responsibilities, we will no longer be surrounded by our classmates.

Our eyes fill with tears. We find it hard to say farewell to the things we love. Sadly now we roam the corridors our last few days of school, with the knowledge that each of us will soon be looking toward higher education and other preparations for life. But we can never forget the way we were, for the past is but a memory away—a snapshot, an old joke, or a chance meeting in the street, and a moment from these glorious years will briefly return. Even though each year to come will erase more of the details, we shall cherish each such moment; for we were happy and carefree because of the way we were.

But say good-bye we must, for each of us follows a different map to the future. Looking back, the past twelve years have been a long trek, but tomorrow's road to success is one we must trod alone. Pisgah Senior High School will share in whatever success we do attain, and our sincere desire is that Pisgah High has become a better place because of us, the Class of '75.

Sincerely,

Mike Green Wayna McDowell
